

Mini-Symposium 2025
Department of Mathematics
University of Ruhuna

Author Declaration

(To be read and signed by each author. When required, strike through the phrases.)

I/We, the undersigned declare that

1. the abstract submitted is my/our original work and has not been partially or completely copied from other sources without proper citation.
2. I/we declare that I/we have not used AI-assisted technologies in conducting the research, data analysis, or manuscript preparation.
3. I/we have obtained all necessary approvals to include any copyrighted material in the abstract.
4. all personnel who contributed substantially to this work are listed as authors and declare that we have no competing interests.
5. the work submitted complies with the ethical standards and I/we take full responsibility for the content of the submitted abstract. I/we further express my/our consent to provide all data and code used for analysis and any supplementary material upon request.
6. I/we agree with the Terms and Conditions of ‘Mini Symposium 2025’.
